

Product Specifications

Product Name :

Acriflavine (hydrochloride)

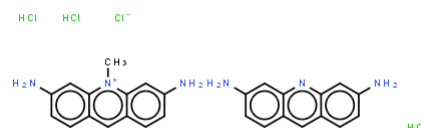

Product Number : MC572660

CAS Number : 8063-24-9

Formula : C₂₇H₂₈Cl₄N₆

Molecular Weight : 578.36

Structure:

| Test | Specification |
|--------|---------------|
| Purity | NLT 98% |

*The current Specification sheet may be available at www.molcore.com.
